and daddy told me to watch out  
better so stay at home  
but we young maggots need to break out  
find out things on our own.

chorus

dap, dap, dap are the maggots tunes  
dap, dap, dap that grooves  
feel the dap, dap, dap in the tapping shoes  
dap, dap, dap that moves.

laying back feels pretty good  
just topped by crazy things  
like chilling on this hook

and mummy told me to check out for  
things that could harm me bad  
and for sure this is what I do  
don't want mummy getting sad
